In applying to an ESA Surf contest, I promise to inspect the contest site, and assure myself that the area is safe. I further agree that I will not compete in the contest unless I am satisfied that the area and the conditions are safe for purposes of surfing, body boarding and standup paddle boarding. In exchange for the Eastern Surfing Association accepting my entry fee and entry form, I voluntarily agree to assume all risks while competing in the contest. I fully understand and comprehend the dangers of surfing created by the sharp edges and fins along with the natural buoyancy of a surfboard when acted upon, by the powerful forces of the ocean. With the full knowledge, comprehension and understanding of these dangers, I voluntarily accept and assume all risks involved in the competitive sport of surfing, body boarding and standup paddle boarding. I will further read and comply with all the ESA rules and regulations, noting existing weather conditions, and do agree that I have voluntarily assumed all risks arising from conditions related to the use of the contest site by myself and others. In consideration of your acceptance of my entry, I intend to be legally bound hereby, for myself, my heirs, executors and administrators, and hold harmless and release and forever discharge the Eastern Surfing Association, all Local and State agencies, The Town of Hempstead, The Town of Babylon, The Town of Southampton, Nassau County, Suffolk County, City of New York, and New York State, all national and local sponsors, their members, agents, and any officials connected with this competition, from all liabilities for injuries and damages whatsoever, arising from my presence or participation in **all of the 2016 New York District Of The ESA Contest events** and do hereby grant all the sponsors such release as described herein.
